Seize the Moment **James Goll, April, 2005**

And right now a window of opportunity is open before O Canada. O Canada, the window is open and you must shoot the arrow of victory through this window of opportunity and you must say, "Change is here", not just "change is coming", "change is here, change is here, change is here, change is here!" There will be an overthrow; there will be a shift in the political scene of this nation in the next 18 months. The shift is on!

We will not settle for same-sex marriages, we will not settle for corruption in government or in the church. We have been stung by scams and corruptions, inside and without.

I declare to you that a window of opportunity has been opened. There is a remnant portion of the bride of Christ that is arising all across the provinces of Canada and she is starting in a greater way to take her place. Not only in a bridal anointing, but in a warrior anointing to draw a line in the sand and say, "enough is enough, enough is enough. No more, this far, no more".

And there is a backing off that is beginning to happen even in the last 48 hours. I don't know what is going on in the natural but I declare it in the spirit. There is a backing off that has begun in the last 48-72 hours. It is a window of opportunity as even as I had an angel come and stand before me in Buenos Aries, Argentina, and the room was permeated with the electric presence of God and that angel stood before me and said some simple words, and said "seize the moment"!

So I declare to you there is a window of opportunity that is open, and if I am a prophet, I have a word for you and it is "SEIZE THE MOMENT! Seize the moment¹ if we do not seize the moment there will be a greater reversing and cursing, therefore let us move forward, in faith. Calling that already which is not as though it already is.

Is there someone in government named Robinson?

I just declare in the name of the Lord of host, that even as this example of this- is it Charles? There is someone who will have the name Charles who is unknown,

but going to become known. The name Charles is going to get on the screen in the name of Jesus. I'm not sure if this Charles is going to be used actually to reveal some hidden issues but I kept seeing a name in the conference, and it was "Charles the Great" and that doesn't make sense to me. But there is something that is going to happen there will be a great positioning, a great move, and there will be a Charles type anointing!

Anyway I declare that even as Robinson was taken out of a place of authority, so soon, the door of corruption will be closed upon the highest place of authority in this land in Jesus name!!
