## TARGET- 50 HOURS

### RLHOP SETS THE WEEKLY PRAYER GOAL FOR 2012

God is moving in Redleaf Prayer is such exciting ways. Our virtual House of Prayer, RLHOP is on track to expand to 50 prayer meetings each week by the end of 2012!

#### A Big Vision

Imagine the impact this much prayer would make on the nation, imagine the salvations, the revived churches, the encouraged and unified pastors and city leaders... and so many more answers to prayer.

As we move toward 50 prayer meetings a week, this will include daily prayer for Israel, for justice issues and for government. We are confident these daily times of prayer will be powerfully used of God to build His Kingdom in Canada.

#### Missionaries

The missionaries that are signing up to serve in RLHOP will play a critical role in the building of this virtual House of Prayer, we're thrilled to welcome some amazing people of prayer that

have heard from the Lord to join us!

Each missionary will give a minimum of 15 hours a week to RLHOP, and will join our staff team.

Of course as we move toward our 50 prayer meeting/week goal, there will be loads of opportunities for anyone (you) to join a weekly, national prayer meeting!

#### Recap of the Last Months

Recently, our team was honoured to be a part of the leadership cluster at TheCall-Detroit, a continental, 24 hour solemn assembly on November 11th, praying for America. In the stadium a crowd of about 50,000 gathered, with many many more watching through webcast. At the same time RLHOP ran a 26 hour prayer meeting with Canadians from all over the nation

joining in on a conference call to pray in support.

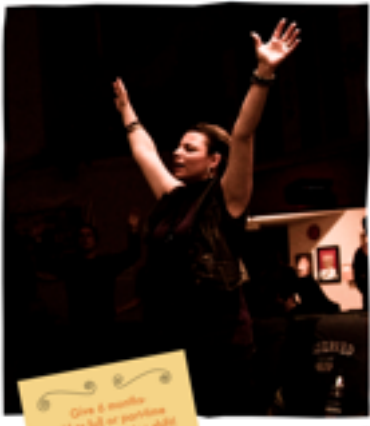

#### Ears2Hear

This national network of senior prayer leaders has gone through an exciting transition. Even

# UPCOMING...

## 2012 A YEAR OF GROWTH

though Redleaf birthed this network and has facilitated it for the last 5 years, we've recently transitioned the leadership- to a team, from various ministries, who are walking together. We believe this will give the network the capacity to authentically lead national prayer initiatives, with corporate authority. Our first such time will be an Ears2Hear Prayer Leader Summit in early March, but we anticipate numerous other initiatives to build prayer in Canada in 2012!

### Israel Assignment

"Because of days ahead, go and pray for Israel". This is what the Lord spoke to us, and so after many confirmations, a national team of E2H prayer leaders is journeying to Israel to pray for the harvest (in accordance with Rom 10:1), and reaffirm, through prayer, Canada's commitment to Israel regardless of what trouble might be coming.

The team will be going from March 3-13th and praying with Israeli Christians in a number of strategic locations throughout Israel. Please stand with the team in prayer, we know this is a critical assignment.

### True North Conference

On other ministry fronts we are of course beginning the year with True North, our National Conference in partnership with NHOP. How exciting to have a time to unite so many from across the nation in seeking His heart, right at the beginning of the year. The conference begins with a national 8hr. Burn to press in to the glory of His Presence! We are also honoured to have amazing speakers such as Lou Engle and Stacey Campbell join us and for the Canadian Prophetic Council to release what God is giving them for 2012.

### 24-7 Burn-Canada

Redleaf continues to support and mobilise the growth of the 24-7 Burn movement in Canada. Burns are blazing in numerous cities and being launched in new ones all the time. This year we are excited to see the first Canadian Burn directors retreat with Sean Feucht being scheduled for this summer. This is a wonderful sign that The Burn Canada has reached a new level of growth.

## Honouring Jane Jones

Jane is a tremendous gift to Redleaf. Since 2008 she has served in numerous capacities bringing wisdom, fiery prayer and passion for Canada into all that she builds. Right now she leads prayer in RLHOP, oversees the Lion's Gate team, and serves on the E2H Facilitating Team. Jane also assists as one of Redleaf's primary advisors.

## A Year End Thank You

So many have prayed, encouraged and sowed into Redleaf over 2011. If that was you **-thank you!!** We know this base of support is how God is building the ministry. But as we continue to grow aggressively we will need many more to stand with us, so if you haven't been involved, right at the beginning of 2012 might be a great time to join our partners (financial support) or armorbearers (prayer support) teams. Let's make 2012 the best year yet!
